

# **TELL ME ABOUT YOURSELF**

## **INTRODUCTION**

Good Morning Sir, I am H. R. D. MOHAN RAMAMOURTHY. I have lovable parents and a younger brother. I am pursuing B. Tech degree in the field of CSE at Sri Manakula Vinayagar Engineering College. The field of computers was my interest, during school days in Petit Seminaire Higher Secondary School which made me participate in National Cyber Olympiad 2007 securing 20<sup>th</sup> rank in my state and then choose this field.

## **POSITIVE ASPECTS**

I am an optimistic person with a positive self image, who has the ability to work under pressure and would like to follow good qualities and confidence in life. I too possess the quality of being an empathic person, adaptable to the situations and interested in learning new things. I am also a team performer, who work hard to complete his work in time and always likes to be perfect in anything, he does. I am also a flexible, honest and a trustworthy person who can analyze, and manage my capabilities and always likes to be a volunteer.

## **ACHIEVEMENTS, HOBBIES AND MY ROLE MODEL**

I have secured class first, during my first and second year of B. Tech Degree and have participated in various technical and non-technical symposiums conducted by various other colleges. A team lead by me, reached the 2<sup>nd</sup> stage of TGMC 2009 where I learnt how a leader must be and how to work under pressure. I organized an event in a symposium conducted by our department. Another proud moment of mine is, when my college and another optical shop became my client. I have designed the TCS Test Simulator Software for the T & P Cell and a Stock Maintenance Software when I was doing my 3<sup>rd</sup> year B. Tech.

My hobbies include listening to music, reading motivational books and playing cricket.

I am proud to have Mr. Ratan Tata as my role model, because I am so much impressed by his administration and very much proud, to work in an organization under him.

## **GOALS IN LIFE, MY IDEAL JOB**

My immediate goal is, to complete my U. G. with a university rank and then get placed in reputed company like your organization. My long term goal is, to pursue MBA through the organization and to work in the company with Human Resource Department.

## **MY IDEAL JOB:**

My ideal job will be such that, which makes me to enrich my knowledge and to work with a great passion. I would like to deal with human resource and corporate training as I am associated with HRDA.
